

VIRTUAL WOODBALL

Virtual Woodball Challenge 2021 Organized
by UWbF

Introduction

- Uganda Woodball Federation hereby introduces Virtual Woodball Challenge for Athletes during this period that Government declared partial easing of restrictions on sporting activities in Uganda.

Mission

We need to keep Athletes active by having online Woodball at home while creating awareness of our sport to the public.

Objectives

- a) To help our players gain confidence during gating.
- b) Keep Woodball players in shape during partial resumption of Woodball activities in Uganda.
- c) Maintain and create more awareness of Woodball sport in the country using social media platforms.
- d) To connect players adapt and advance with the new online technology.
- e) To create fan and social interaction among distant Woodball players.
- f) To prepare players for future international online games.

Mode of Competition.

GATING

It is a Virtual gating Challenge on Video Zoom

- An athlete is required to use **one stroke** to score through the gate in a distance of **3 meters**, against **3 chances**.
- A player who gates-in the most number of times successfully will become the winner against his opponent thus qualifies for next round.
- For any tie in the number of scores, players proceed for a sudden death attempt to determine the winner.

Requirements.

1. A well - maintained green surface of 3 meters.
2. Equipment (Mallet, Woodball and a gate)
3. Woodball attire (Recommended dress code).
4. A Video recording Device with an Online Zoom application
5. Strictly free registration. Athletes were required to confirm participation through an online registration in a given time - frame.

Procedure of Competition.

1. Assemble a gate along a play - area within 3 meters (*green surface*). Kindly use any related item that can help us identify the required distance before you start you game. For example, *3 mallet shafts can easily define a stretch of 3 meters.*
2. Prepare other playing Equipments like a Mallet, and a Woodball
3. Login in the Video Zoom link for the event as provided by the event organizers on your Internet device with a stable camera.

Procedure of Competition

4. Attempt to score through the gate in 3 chances, when you are called to play by the organizers. Kindly consider the rule of 10 seconds after aiming to execute a stroke.
5. The winners of first round will proceed to verse each other in the second round until one wins at finals
